**Dear Members, Sponsors, and Friends of
Historic Preservation,**

The Tallahassee Trust for Historic Preservation is excited to host the Bicentennial Tallahassee/Leon County Historic Preservation awards program! Join us as we celebrate excellence in preserving the history of our community. This will be an event to remember as we highlight recent preservation projects in our area.

The Tallahassee Trust for Historic Preservation consistently provides leadership on historic preservation issues important to our community. Throughout the year we work to protect our historic resources through public education, oversight of the local register of historic places, technical assistance, and collaborative partnerships. Historic preservation provides an economic benefit to the community, creates a sense of place, and saves our irreplaceable heritage for future generations to enjoy. We would like to thank all of our members, sponsors, and friends for making preservation of our historic resources possible.

This year the Tallahassee Trust for Historic Preservation is recognizing outstanding achievement in historic preservation, archaeology, education, and stewardship in Tallahassee/Leon County and surrounding communities. We look forward to honoring these exemplary projects, organizations, and individuals. Please join us in celebration of the Bicentennial Tallahassee/Leon County Historic Preservation Awards on Thursday, May 16, 2024 at Goodwood Museum and Gardens.

For almost 40 years the Tallahassee/Leon County Historic Preservation Awards have recognized achievement in the field of historic preservation. We need your help in carrying on this proud tradition. We ask that you take this unique opportunity to support historic preservation in Tallahassee/Leon County through your sponsorship of the Preservation Awards program. Please see the enclosed packet to review the levels and benefits of sponsorship available. Your gift of sponsorship will ensure that excellence in preservation is recognized in North Florida.
